The United Methodist Committee on Relief (UMCOR) is the not-for-profit global humanitarian aid organization of the United Methodist Church that works to alleviate human suffering caused by war, conflict or natural disaster. UMCOR responds to natural or civil disasters that are interruptions of such magnitude that they overwhelm a community's ability to recover on its own. Visit the UMCOR website for information on how you can help people suffering from disasters and conflicts. Every dollar designated for a specific program goes to that program. UMCOR is 100 percent efficient because they receive donations toward the cost of doing business from the annual UMCOR Sunday.
