

When We Pray – Things Will Change

Our Fathers

God's Word clearly instructs fathers to bring up their children in the discipline and instruction of the Lord (Ephesians 6:4). But we can't do this with the guidance and leadership of our Lord Jesus Christ. We pray that God will strengthen the fathers of our nation and that Jesus will continue to empower churches, organizations, and individuals to invest in fathers and fatherhood for the sake of our children. We pray for the strength, protection, wisdom, and discernment from our Lord to help the father's through whatever trials they may be facing in this world today. We pray for these men to come to their knees and repent, that they would turn from their ways, seek the Lord, and come to the saving knowledge of Jesus Christ. We pray that God would step in as a father to the fatherless and a defender of widows in these situations, that their story would be another testimony that nothing is too hard for our Lord. We pray for a revival of manhood and for fathers to lead their families by beginning each day on their knees. We pray that God will bless every father and every grandfather with the spiritual blessings and guidance to lead and direct them in their path, in their journey as providers of children and grandchildren. God Word says that he will turn the hearts of the fathers to their children and the hearts of the children to their fathers (Malachi 4:6).

As We Worship

We are thankful for the return of praise and worship services around the country and in our communities. We are thankful to be able to come together as Christ has commanded us to do. So many things happen in the spiritual realm when we praise and worship together. As We Worship, we are magnifying our God and we are expressing reverence and adoration towards God for all that He is.

As We Worship and as we fix our eyes on God, we become smaller and thus we allow God to be God and work in us and in our lives. Our worship comes from our heart and we usher in the presence of God.

As We Praise God, we are telling Him and others how wonderful He is – How Awesome He is. We acknowledge His authority, power, goodness, mercy and just all the other wonderful things about who and what God is.

John 4:23-24 (NIV) Yet a time is coming and has now come when the true worshipers will worship the Father in the Spirit and in truth, for they are the kind of worshipers the Father seeks. God is spirit, and his worshipers must worship in the Spirit and in truth.
