Have You Noticed: It is Easter; let there be light! Let there be color and music and joy. In everything, let there be joy as we worship this day. We certainly understand that, for many, this day is driven by tradition. And that's a good thing. We don't have to reinvent ourselves every time we celebrate this highest and holiest of days. Meeting the expectations of those who are a part of the community can be a powerful way to worship on Easter Sunday. Can it really be Easter in our tradition if we don't sing "Christ the Lord Is Risen Today"? I don't think so. But there are new songs that your community has not sung that could be sung. The key is a balance between tradition and innovation, between the comfortable familiar and the edgy new territory. Lean into the former and sprinkle in the latter and things will go well.

We've come through the shadows of Holy Week, and Easter morning has dawned once again. Christ is risen! Whether 2,000 years ago or today, this is a simple, yet irrational declaration: Christ is risen! We don't fully understand Resurrection. We can't make logical sense of it. But it is perfect and fitting for God, whose steadfast love endures forever because even death cannot stop Love. So, give thanks to God whose love never ends, never fails, and brings us into new life today and every day.

The United Methodist Committee on Relief (UMCOR) is the not-for-profit global humanitarian aid organization of the United Methodist Church that works to alleviate human suffering caused by war, conflict or natural disaster. UMCOR responds to natural or civil disasters that are interruptions of such magnitude that they overwhelm a community's ability to recover on its own. Visit the UMCOR website for information on how you can help people suffering from disasters and conflicts. Every dollar designated for a specific program goes to that program. UMCOR is 100 percent efficient because they receive donations toward the cost of doing business from the annual UMCOR Sunday.
