Have You Noticed? About a year ago Josh Parde started making paper butterflies and accidentally discovered that giving them to someone often brightens their day. Parde said it all started with a Scout project. His mother, Janet, had been undergoing chemotherapy for cancer and he was working on origami while he waited. "Someone saw what I was doing," he said. "He asked me about it, and I gave it to him. He smiled and it went from there. It doesn't cure or fix anything, but it makes that person feel better in that moment. I hope people will feel like somebody cares and know they are not alone when they get a butterfly." He said butterflies symbolize renewal, hope and love. Look around the church and take home a butterfly!!

The United Women in Faith April Unit Meeting will be held in the church dining room with 11:45 am fellowship and 12 noon luncheon ~ \$10.00 The program:

The United Methodist Committee on Relief (UMCOR) is the not-for-profit global humanitarian aid organization of the United Methodist Church that works to alleviate human suffering caused by war, conflict or natural disaster. UMCOR responds to natural or civil disasters that are interruptions of such magnitude that they overwhelm a community's ability to recover on its own. Visit the UMCOR website for information on how you can help people suffering from disasters and conflicts. Every dollar designated for a specific program goes to that program. UMCOR is 100 percent efficient because they receive donations toward the cost of doing business from the annual UMCOR Sunday.
