LIBRARY NEWS

If you enjoy learning about other cultures, you will want to read A ROAD CALLED DOWN ON BOTH SIDES: GROWING UP IN ETHIOPIA AND AMERICA. Author Connie Kurtz lived in a mud hut with her missionary parents in 1950's Ethiopia along with her two sisters . In spite of rather primitive living conditions, she had a happy childhood and when she came to America to attend college, she felt out of place and yearned to return to the country she loved. Unfortunately, when she finally does return she finds a very different country. A communist regime had taken over Ethiopia and tribal violence continues to this day. Kurtz has written an entertaining and informative memoir . This book is in the Education for Mission category. Recommended

Food Pantry: We are currently collecting tomato juice, rotol, fruit and grain bars or any kind of bar, pop tarts and Rice A Roni.

THANK YOU all for all the food and monetary donations they gave to the Community Food Pantry this past year. If it wasn't for all the churches donating every Month, the food pantry would not have food to give to all the needy families. We could not have done this without your help. Your generosity is truly appreciated. God's Blessing to you all! We have a new address. P.O. Box 314, Beatrice, Ne 68310. Karen Mains ~Food Pantry Coordinator

In Person Worship: We will begin holding in person worship starting February 7th at 11:00 am. Protocols will still be in place with the change of singing. You may sing with your mask on, and the words will be provided on screen. Can't wait to see you!

We will be collecting for Nickels for Nigeria today.

Camp Fontanelle collection will be taken February 7th.
